Report of Principal and School Improvement Council

The 2013 – 2014 school year has marked another year of excellence at Alice Drive Elementary. Our focus on the whole child resulted in a year with much improvement in academics as well as enhancement of the arts. We are a data driven school, using a wide variety of student assessments and performance data to meet the individual needs of our students. We continue to strive to make our school the best it can possibly be. We have a school that is warm and inviting, and dedicated to providing a positive learning community for our students.

We had an emphasis on reading and math this year with year-long staff development on these subjects. We targeted the improvement of our students' math and reading skills through the use of hands on manipulatives, intensive small group instruction, guided reading, and independent reading. Our school-wide in-school tutoring program, which utilizes parent volunteers to provide extra assistance in reading and math, continues to expand and serves over 30 students. Our School Improvement Council has been instrumental in establishing our in-school tutoring program as well as raising funds for classroom resources and supporting teacher needs in the classroom.

We are very fortunate to have strong parent involvement. Our annual Spring Fling, and other special events, provides parents with opportunities to come and enjoy evenings and other times with their children.

Our teachers work diligently to improve student achievement. One hundred percent of our staff is highly qualified. Our teachers participate in professional development activities, graduate classes, and workshops to improve their knowledge of effective instructional strategies and expand their repertoire of activities for their classroom. The incorporation of technology, programs such as Reading A to Z and Study Island, as well as strategies for learning have provided all students a chance to learn and grow.

We have continued our commitment to our community by providing ways for our students to contribute to local efforts. We participated in the Salvation Army canned food drive, The Angel Tree toy drive, Shower Shaw with Cookies, Greenhouse Shelter blanket drive, St. Jude's Hospital Mathathon and several school-wide recycling projects. ADE diligently has pursued its mission to provide a positive school environment and provide developmentally appropriate learning experiences for all students. We strive to make ADE a place where everyone feels welcome and where everyone can become a part of our community.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	77.9
Overall Grade Conversion	C
